ISIN H-Shares: CNE1000048K8

Press Release

Haier successfully completes public share buy-back offer

Qingdao / Shanghai / Hong Kong / Frankfurt, 2 October 2026 – In connection with the voluntary public share buy-back offer announced on 2 September 2026, a total of 79,392,362 D-Shares were tendered to Haier Smart Home Co., Ltd. ("Company") by the end of the acceptance period. The Buy-Back Offer related to the repurchase of up to a maximum of 81,044,512 D-Shares of the Company (ISIN: CNE1000031C1).

The Company is therefore repurchasing shares corresponding to approximately 0.86% of the Company's current registered share capital.

Settlement of the Buy-Back Offer, and therefore payment of the purchase price for the D-Shares tendered is expected to take place on or about 13 October 2026.

The Company will cancel the repurchased D-Shares.

About Haier Smart Home Co., Ltd.:

Haier Smart Home is the world's largest home appliance company and a global leader in smart home solutions. Its operations comprise three reporting segments: Smart Home Appliances, covering refrigeration, kitchen appliances and laundry; Smart HVAC Solutions, covering air conditioning, Smart Building Solutions and water solutions; and Smart Home Ecosystem and Others, including robotics, small domestic appliances, whole-home smart solutions, logistics, healthcare and eldercare, recycling and commercial refrigeration.

The Company has established a global portfolio of seven brands — Haier, Casarte, Leader, GE Appliances, Candy, Fisher & Paykel and AQUA — supported by localised R&D, manufacturing and commercial capabilities worldwide. Its products and services reach consumers in more than 200 countries and regions.

Important note:

This communication may not be published, distributed or transmitted in the United States of America, Canada, Australia or Japan. This communication is not directed to, or intended for distribution to or use by, any person who is a citizen or resident of or located in any state, country or jurisdiction where such distribution, publication, availability or use would be contrary to applicable law or which would require any registration or authorisation within such jurisdiction.

The dissemination, publication or distribution of this communication may be subject to legal restrictions in jurisdictions outside the Federal Republic of Germany. Persons domiciled in or subject to another jurisdiction should inform themselves about and observe the applicable requirements.

Neither this notice nor any of its contents may be published, sent, distributed or disseminated in the United States of America, in each case by use of the mails or by any other means or instrumentality of interstate or foreign commerce or of any facility of a national securities exchange

of the United States of America. This includes, but is not limited to, e-mail, facsimile transmission, telex, telephone and the internet. Copies of this announcement and other related documents may also not be sent or transmitted to or within the United States of America.

This release contains forward-looking statements. These statements are based on the current views, expectations, and assumptions of the management of the Company and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in any such statements. The Company assumes no obligation to update forward-looking statements, unless required by an applicable statutory provision.
